

Carer Agreement

It is important that every member of the group feels relaxed, supported, safe and secure – having fun – while they are here. For this reason we hope that you will agree to a few simple rules that will help us to enjoy our time together.

In regards to safety...

- Your children are your responsibility at all times. Please ensure they are safe and have positive interactions with other children - the way he/she relates to and plays with others is your responsibility e.g. if he/she's about to throw a toy, please intervene.
- If another parent expresses concern about an action of yours or your child's, listen graciously. Explore each other's point of view, even if you don't agree, or feel you have been misunderstood! Stay friends!
- Look after, and encourage your children to look after, the room, the equipment and each other, and take care with drinks and belongings.
- Please make sure your children stay within the boundaries of the play space and do not wander beyond/climb over the benches, sofas, etc...
- If your child has had any of the following symptoms in the last 48 hours we would ask that you do not attend toddler group: diarrhoea or vomiting, fever, open sores/undiagnosed rashes, any discharge around the eye, or any other known infections.

In regards to registration and attendance...

Although Toddler Group at St. Giles is free and open to anyone in the community, we do have in place a registration scheme to make sure everyone is welcome. If the group becomes overcrowded we may introduce a policy to limit numbers.

By signing below you agree to the above.
